

UPDATING OUR CAMPUS

Help us prepare our campus for the future with an overhaul of the HVAC system. This will help reduce operating costs and make it possible to continue important church and community activities.

OUR GOAL IS \$500K

If 100 families pledge \$5,000 over the next two years we would meet our goal. We know that some families will not be able to contribute this much and some will be able to do more.

Prayerfully consider what you can give.

UBC Together We Build Pledge Card

I / We pledge to contribute the following amounts in 2023 and 2024 to the **Together We Build** Capital Campaign.
