

Together We Build

While this Campaign is important, please remember that we must continue to pay the bills and support our staff and programs. Support for the Campaign should be over and above what you would normally give to the budget.

MAKE YOUR PLEDGE

Prayerfully consider how much you can give, then turn in your pledge card.

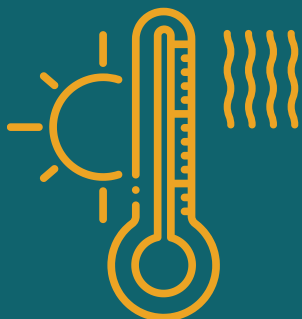

If 100 families pledge \$5,000 over the next two years we would meet our goal.

GIVING MADE EASY

There are so many ways you can give... which is best for you?

Donate using your ordinary method of giving, by check, cash, or online.

Designate it to "Together We Build."

Discuss with your tax advisor ideas such as:

- Give stock that has appreciated in value.
- If you have an IRA and are at least 70.5 years of age, consider using part or all of your Required Minimum Distribution.

Please consider the timing of your contributions as the contract requires installment payments beginning Fall 2023.
